EZEKIEL RIVERA I have 14 years of classical guitar expertise and am president of the MVC Guitar Ensemble. My passion extends to teaching children, nurturing young talent and fostering a deep appreciation for classical guitar.

ANAHI RODRIGUEZ I am a 22year old resident of Menifee, living with my family for the past 15 years. I am currently pursuing a career in music and love performing locally at events throughout the city of Menifee!

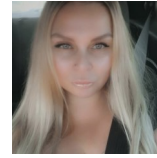

BARBARA SHAWCROFT Piano is a peaceful and calming instrument for me. Music is melodic and far reaching. It comes from the heart and puts smiles on our faces. After the loss of my husband, music became my church and continues to be my refuge. A place of healing and joy!

CHY'ANNE SMOCK I have autism but autism doesn't have me. I didn't speak until age five and music was and still is my outlet. My family is my rock and I dedicate this performance to my late grandpa and hopes this song brings comfort to those who have lost a loved one.

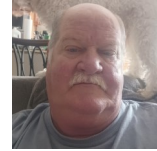

JASON WHITE I am an Army Veteran and father of two boys. I'm a small business owner, Chairman of the board for the Menifee Valley Chamber of Commerce and a proud Rotarian. I love the drums, singing, basketball, snowboarding and I'm happy to be returning to the MGT stage.

NAOMI AGUILAR I live in Menifee and have worked at Texas Roadhouse for 12 years. I have always had a passion for music. I was in Choir from grade 6 to 12 and am excited for new opportunities to perform. I am excited and blessed for the opportunity to show my passion and love for music!

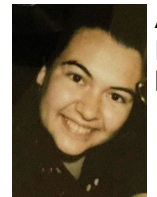

VICTOR ALEXEEFF I began studying piano at age four and attended the Royal Conservatory of Music, Toronto, at age seven. Besides working as a concert pianist and session player, I compose scores for film and television, produce original albums, and perform with experimental music groups and rock bands.

JOHN ANDERSON I am a widowed senior who loves to play piano. I appreciate the opportunity to share my love of music with my neighbors.

CAMDEN BROWN I'm 12 years old and have a passion for theater. I'm excited to return to MGT after a several year hiatus pursuing theater. I was blessed to be cast in such memorable roles as Plankton in SpongeBob the Musical and Winthrop in the Music Man and Chip in Beauty and the Beast at Vanguard University.

ARYANA CAMPOS I'm very excited to be back performing at MGT for a second time. I love singing and performing for fun and hope that everyone enjoys my performance tonight!

KATHRYN D'COSTA I am a 15 year old singer-songwriter. I write because that's the way I can understand how I feel and I sing what I write because it's the most comfortable way for me to express myself. My dream is to make others happy by doing what makes me happy!
